

Meeting Minutes

13:30 Saturday, April 6, 1996
Energy Center 723

- Financial Report
We can register as a non-profit, tax-deductible organization, but it will probably take about six months.
- ARRL Affiliation
Our application has been received. We are awaiting endorsement by the Division Director and Section Manager.
- Dues for Next Year
Dues will be \$15 per Full Member, \$15 per Associate Member, and \$5 per family for Family Members pending the passage of by-laws Amendment I.
- [By-Laws Amendment for Family Membership](#) was announced and discussed.
- Status of Officers
Existing officers will hold their positions until next year. We still need to fill the positions of Secretary and Treasurer.
- Transport of Donated Equipment from California
Andrew Douglas KC5SXI will be driving to Southern California in May and can pick up the equipment.
- Trip to Dallas Ham Fest
We will be leaving early on Saturday June 8 and returning that evening. If you plan to attend send email to jpboptic@uoknor.edu and, if you can drive, say how many people you can carry including yourself.
- Mt. Scott Field Day
Field day is June 22. Setup begins at 09:00 and events begin at 13:00. Sign ups for equipment and positions will be posted to the web page later this week.
- Contacting Shannon Lucid on Mir
Shannon Lucid is a three degree OU alum, one of the most high-profile Sooners, and currently residing several hundred miles above our heads. The OUARC should certainly make an effort to contact her and possibly set up a communications link between her and her family in Bethany.
A coordination committee has been set up to explore options and will meet later this week to discuss contacts.
