

Meeting Minutes

19:00 Tuesday, March 3, 1997
Energy Center 723

- Call to Order
- Reading of Last Month's Minutes
- Old Business
 - Club room
We need to move more stuff into CEC S2 to lay better claim to the space. If you have club stuff, contact John KC5VEI to arrange dropping it off. We are still waiting to find out about the penthouse.
 - Class
The license class finished Monday March 2nd with the license test. Of the 22 who pre-registered, 18 didn't have the flu and there were 2 walkings. 11 new Techs were passed along with one upgrade to Advanced.
 - QSL cards
We have a prototype! Now we just need to double check the format and make some minor changes. After that its off the printer's! We might actually have them by the next meeting.
The QSL card committee will meet next Tuesday.
 - QSO cards
The last School Club Roundup generated 5 QSO cards.
- New Business
 - New Net
Starting Monday the 16th there will be a 7:00pm net to encourage new hams to get on the air. Pending SCARS approval, the net will be on 147.06.
 - VHF Spring Sprints
This is a series of one day contests, each on a different band and lasting 4 or 5 hours.

144 MHz:	April 13,	7 PM to 11 PM local time
222 MHz:	April 21,	7 PM to 11 PM local time
432 MHz:	April 29,	7 PM to 11 PM local time
902 MHz:	May 09,	6 AM to 1 PM local time (Pick 5 consecutive hours)
1296 MHz:	May 09,	6 AM to 1 PM local time (Pick 5 consecutive hours)
2304 MHz:	May 09,	6 AM to 1 PM local time (Pick 5 consecutive hours)
50 MHz:	May 16-17,	2300Z Sat to 0300Z Sun.
 - Antenna Retrieval
The antenna down by Lindsey street really should be taken down before it falls on someone.
 - New Computer
The computer currently hosting the OUARC web pages, mailing lists, archives, and records will be going away sometime in the next year. We need to consider options for a replacement.
 - **Pay Your Dues**
- Nominations for next month's election.

President:	Jared Bostic	KB5PSP
Vice-President:	Kate King	KD5BFI
Treasurer:	Brian McDonald	KD5BFH
Secretary:	Jeff Taylor	KD5CFO

Nominations will continue to be open until the election at next month's meeting.

- Announcements
 - Tulsa Ham Fest
March 13th and 14th, \$10 admission at the corner at 7th & Houston.
 - NWS Spotter Class
7:00pm on March 17th at the main campus of Moore-Norman Votech. See the SKYWARN page at <http://www.nssl.uoknor.edu/~nws/spotterguide.html> for more information.
 - W5X

The special event station celebrating the first tornado prediction will be on March 23rd and 24th.
