

Minutes for November 11, 2002

This was supposed to be a big pizza and movie night, except hardly anyone showed up, and the VCR didn't work
However:

1. The big news is that **we gained a new member, Robin KCoBSC.**
2. Others attending were our much-appreciated and grossly underpaid president, **Marilyn KD5JQM** (Just Quit, Marilyn ;-), **Carolyn** "I passed the damn 13 wpm test to get my General and don't you forget it" **N5EAI** (XYL of W5JA), **Marc KC5YWM** (Yesterday Was Misty) and, I believe, one of his harmonics, and yours truly, **Jud W5JA.**
3. We ate, drank and were merry. My son and daughter very much appreciated the left-over pizza. Patrick KD5DOH (Doh!) eats it cold for breakfast; Kelly WoKKA wisely heats it up for evening snack. Like you care...

That's all for now...Any comments, corrections or suggestions? E-mail Marilyn KD5JQM mwoodruff@ou.edu
